WHY WE CARE

As a former athlete, Dr. Ty wants to serve as a resource to your team. We believe it's important to be proactive and know how to properly care for your body because no athlete wants to miss games due to an injury.

WHO

We welcome athletes and their immediate families to consider these **COMPLIMENTARY** services!

PUT ME IN, COACH

Interested in our services? Schedule your appointment by calling us at 952-423-5050. Please reference the team you are with!
